 150 Years' Reputation for Quality

**He lived—helped by the fabrics you didn't have!**

Another brave man has been helped back to life, thanks to the medical corps. But how would he have fared if doctors and nurses had lacked equipment?

At home in Britain, we had to see that supply lines were fed with the things they had to have. For instance machinery that normally makes Tootal products was turned over to making various kinds of hospital needs. And there were other calls—the fighting services and people in liberated countries needed the materials we could make. You'll see why we could only make a very few fashion fabrics for you.

Soon we hope to produce plenty of every Tootal fabric. Meanwhile, shops have some Tobralco. And though they're scarce, Robia, Tootoile, Lystav, Lombardia and Toolina can be found—branded 'Tebilized' for tested crease-resistance. All these fabrics carry the Tootal Guarantee: their names are Trade Marks.
