tipped cigarette
sales in the world.

FOR YOUR
THROAT'S SAKE

CARRERAS 150 YEARS REPUTATION FOR QUALITY

Saved — but you went without Tootal Fabrics!

Hardly an experience to be envied — that last-hope leap into space. A life hung on a thread — the weave of the parachute fabric had to be flawless to stand the strain of the sudden jolt of opening, then the slow-motion descent to safety.

For men who had to take such risks Britain provided only the best possible equipment. Tootal workers could tell you how carefully silk and nylon fabrics for parachutes were made, because they wove them on looms that usually make Tootal products for you. Also all kinds of Tootal-made fabrics went to liberated countries and every fighting front in the form of clothing and equipment. That is why we have been able to devote so little of our output to your needs.

Soon we hope to produce plenty of every Tootal fabric. Meanwhile, shops have some Tobraco. And though they're scarce, Robia, Tootole, Lystar, Lombia and Toolina can be found — branded 'Tebilized' for tested crease-resistance. All these fabrics carry the Tootal Guarantee: their names are Trade Marks.
