The beauty nature intended

The beauty nature intended . . . with the aid a Berlei gives! A girl's figure is nothing without a bosom; and a bosom is nothing without a Berlei-Bra!

The very special something about a Berlei-bra is that each size comes in many different shapes . . . to fit subtle differences in bosomy curves. There might be anything up to seven different types in your own fair size, for instance; you are sure of your own perfected shape amongst them. It is multiple-fitting come to brassieres. And oh, oh, oh, the difference it can make to comfort as well as looks, being so fittingly, so beautifully Berleified!

★ Try it on before you buy it. Now there's little elastic, it has to fit exactly.
