IT'S JUST A CHANCE

Yes, it is still a matter of chance, we are sorry to say, whether you find your Rainster in the shops. They are still far from plentiful, and so many want them. But the position is rapidly improving.

Yes, there are a few more Rainsters in the stores now. Better than ever before. Their Rainster-proofing is thoroughly dependable, and their slickness of cut is something quite unexpected in a raincoat. A Rainster's a lucky find—good hunting to you sir!

★ If you own a Valet Razor remember the strop is an important part of Valet's clean shaving. Always keep it clean. Scrape it occasionally with a blunt instrument to remove dust and grit, and rub in a little lanoline to keep it supple. Valet Blades 3/6 per packet of 10. V10.4

Available at all Chemists, Tobacconists, Hardware and Department Stores.

Illustration shows an aircraft engine cylinder head about to be X-rayed. Faults in the casting which might prove disastrous in operation will be revealed. If you have difficulty getting Kodak Film, it is because it has been doing such a vital war job. In the meantime, remember Kodak Film is the best film made.
