SAFEGUARD FOR TOMORROW'S FARMERS

A MAN'S will is his blue print for the future. In it he makes provision for those who will follow him. But good intentions are not enough. He must also provide that the administration of his estate shall be placed in skilled and capable hands. The experience of 70 years in the administration of large numbers of Farmers' estates, the protection and permanency afforded by the Public Trustee, constitute the finest safeguard you can make for your family's future.

The Public Trustee will prepare your will and hold it in safe custody free of any charge if appointed executor.

The PUBLIC TRUSTEE

EVEN YOUR BEST FRIEND WON'T TELL YOU

How's YOUR Breath To-day?

YOU may be guilty of halitosis (bad breath) this very moment and yet be unaware of it, the subject is so delicate that even your best friend won't tell you. That's the insidious thing about this offensive condition; you yourself never know when you have it, but others do and some may snub you unmercifully. Don't run this needless risk. You can be sure that your breath will not offend by merely using Listerine Antiseptic, the remarkable deodorant with the delightful taste. Rinse the mouth with it every morning and every night, and between times before business and social engagements. As it cleanses the entire oral cavity, Listerine Antiseptic kills

outright millions of odour-producing bacteria. At the same time it halts the fermentation of tiny food particles skipped by the tooth brush (a major cause of odours) then overcomes the odours themselves. Remember, when treating breath conditions you need a real deodorant that is also safe; ask for Listerine—and see that you get it.

If all men and women would take the delightful precaution of using Listerine, there would be fewer waning friendships in the social world—fewer curt rebuffs in this world of business. The Lambert Pharmacal Co. (N.Z.) Ltd., 64 Ghuznee Street, Wellington.
