COMPANY LAW IN NEW ZEALAND

by D. J. Dolglish, LL.B.

Demy Octavo—Fully Indexed.

The Law of Limited Liability Companies forms a most important field of study, both for lawyers and commercial men generally.

While larger works devoted to Company Law in New Zealand are available, there has been a long-felt need for a concise manual or textbook suitable for the student and business man.

The book approaches the subject in a practical manner, and the mass of statutory detail is presented without losing sight of general principles.

The author throughout has endeavoured to present his propositions with clarity and accuracy, and examinations requirements for LL.B., B.Com. and Accountancy, and for the examination conducted by the Institute of Secretaries, have been fully borne in mind.

A feature of the book is the well selected list of cases quoted in support of the propositions contained in the text, and in particular the reference to the most recent New Zealand cases of importance.

It is felt that this textbook should have a wide appeal as a practical and up-to-date work on New Zealand Company Law.
