**a preview
and a promise**

A glimpse at an old favourite... the corset that Steeles know so well how to fashion for maximum comfort, control and long sturdy life. And this is a promise — that there'll be more and more... for you and you... as soon as it's humanly possible.

Yes full elastic everywhere where it will do most good... unlined or full linings for double strength... quality and durability to equal the best Steeles ever made. The bra is "Modern Lady", deep for control, reinforced for strength, with lace for daintiness and elastic for snugness.
