Excuse me—
Here's how to be perfectly
CLEAR
about Health

Andrews promotes Good Health in these four ways: First, the sparkling effervescence of Andrews helps to refresh the mouth and tongue; next, Andrews soothes the stomach and relieves acidity, one of the chief causes of indigestion; then Andrews acts directly on the liver and checks biliousness, and finally, Andrews gently clears the bowels, correcting constipation. Whenever you feel your system needs it, take a glass of sparkling Andrews.
