When you're not feeling up to scratch you'll more often than not find that the cause is irregularity, because faulty elimination means that your system is saddled with tiring, energy-sapping poisons.

Regularity, in the majority of cases, is not difficult to achieve. Wise living habits — regular hours, a full quota of sleep, and plenty of outdoor exercise — are of course, the basis of success. But equally helpful is the taking of a natural corrective such as San Bran.

San Bran is not a medicine. It is a finely milled bran that makes up a bulk or roughage deficiency in our modern, refined foods. And it's pleasant

eating. San Bran combines tastily with morning cereals and summer desserts; it adds pleasant nutty flavour to puddings, cakes, scones and biscuits.

Buy a packet and use it daily. You'll soon be saying "I'm well," and feel it.

SAN-BRAN

A NATURAL CORRECTIVE FOR IRREGULARITY, MADE BY THE SANITARIUM HEALTH FOOD COMPANY, CHRISTCHURCH AND AUCKLAND.

Excuse me - children, too, should be CLEAR about Health

The gentle action of Andrews makes it the ideal laxative for children. Andrews helps to refresh the mouth and tongue; soothes the stomach and relieves acidity, one of the chief causes of indigestion; acts directly on the liver and checks biliousness; gently clears the bowels, correcting constipation.
