A little
LAZY about
DENTURES?

MANY of us are, but there will be no danger or need for concern if Kemdex is used. Dentures are thoroughly and meticulously cleansed from every stain and germ-bearing impurity by an overnight bath in Kemdex and water or a double-strength soak for a few minutes. Kemdex—the superior cleanser—keeps false teeth as clean as when first fitted.

At all chemists and stores, in two sizes. Large 4/3 (contains three times small size); Small 2/2.
