No. 294 (Constructed by R.W.C.)

SIR ADRIAN BOULT told the BBC Symphony Orchestra at a rehearsal in the Albert Hall that they were all too tired to play their best. He advised them to emulate him by resting during the week-ends; he forbade golf, gardening and repair work on blitzed houses. A little washing up—but not too much—was sufficient exercise.

A FEW MORE IN THE STORES

Rainsters are still scarce—but there are a few more in the shops just now. A few—and so many want them!

We know it's tiresome, this constant hunting and coming away empty-handed, but a Rainster waterproof really is worth waiting for. There is nothing to touch a Rainster, for the excellence of its waterproofing and its slick cut. It's rare to feel well-dressed in a raincoat, but you do in a Rainster!

So don't give up. Keep seeking, and one day you'll find your Rainster, proudly put it on, and go on your way rejoicing!
