

## "SPLIT-SECOND" TESTS PROVES SUPERIORITY of WAXSHINE

The three ladies above are examining the beautifully polished top of a radio cabinet. One of several "SPLIT-SECOND" Tests they witnessed that proved conclusively that WAXSHINE is —

- (1) Easy to Apply.      (2) Easy to Rub Up.
- (3) Gives a Long-lasting Polish.

### And Here's Another Excellent C.O. Product

Just as C.O. WAXSHINE has been proven the leader in its field, so C.O. GREASE-CHASER is superior for the particular job it is made to do.

### GREASE-CHASER

GREASE-CHASER is used to remove all grease and rust stains from porcelain baths, basins and sinks, and from woodwork in the home. It is also excellent for keeping linoleum spotlessly clean.

**NEW USES DISCOVERED:** Recently it was discovered that GREASE-CHASER is excellent for removing grease stains and dirt marks from carpets, rugs, feltex, and upholstery, also for removing traffic film and cleaning chromium on motor cars. Try GREASE-CHASER, the speedy universal household cleaner.
