

*Enrich leisure hours with
recorded programmes of your own*

Radio programmes impose no chains on your listening mood when you possess a Columbus Radio-Gramophone. With the automatic record-change of the Flotilla model (illustrated above) you can listen for over 20 minutes to your own recordings without stirring from your chair . . . music reproduced brilliantly, flawlessly with mellow tones and subtle overtones in perfect balance. For you are listening to radio's richest voice . . . the voice of Columbus Radio . . . pure, clear, faithful.
