No. 312 (Constructed by R.W.C.)

THE "SWINGING" SISTER.

The bright sister of every housewife that helps swing along through cleaning is "Clever Mary," the one complete cleanser that makes light of otherwise tiresome work. A little "Clever Mary" on a damp cloth, and a few rubs, and there's a glistening cleanliness to bath, basin, and woodwork, cooking utensils and sink. Get a big value tin of "Clever Mary" from your grocer—and move through the housework with a new saving of labour.

PROTECTION

when your family will need it most

Through Life Assurance a man can provide security for his wife and family. He can ensure that they will have the money with which to carry on should he not live so long as he expects. He can also provide for his own old age. These benefits are within the grasp of every man who co-operates with his fellow citizens in Life Assurance. Through such co-operation many things can be done that a man could not do by himself. To provide protection when it is needed most—that is the whole idea of Life Assurance.

The time has come

Behind the closed doors of War-time Laboratories the hands and brain of man have moulded dreams into realities.

Having satisfied defence requirements, the manufacturers of Radiotrons now make available the benefits of their extensive research so that the challenge of civilian demand for better Radio reception may be met.

By specifying Radiotrons as replacements for worn valves, you ensure top performance from your receiver.
