## "HOMECRAFT" Pöker Work Sets

Pöker-work is a fascinating and instructional hobby; a hobby which is becoming more and more popular throughout New Zealand. The "HOMECRAFT SET" is the electrical answer to the original "Pöker" and can be used with safety by young and old alike. The Machine plugs into a hot point or light socket and the heat on the special tip mounted on the end of the wooden handle, can be varied at will to take in any class of work. Operates effectively on leather and wood, etc. You can do your own designs on breadboards, powder-puff containers, sewing hold-alls, and the like.
