# Children's Health is the Nation's Wealth!

Happy, healthy childhood is the birthright of all boys and girls. However, a proportion of young New Zealanders are

not as strong and vigorous as they should be, and it is for their benefit that the Health Camp movement is carried on. Health Camps are planned to bring extra sunshine and fresh air into the lives of thousands of young New Zealanders every year. There are Health Camps in all the main districts, and any delicate or debilitated child (between ages 5 and 13) can receive a Health Camp holiday.
