"SCIENCE of GAMBLING"

Highly Commended

THIS English best seller praised
by "Sporting Life" and other
newspapers is now here. Also com-
mended by Richard Dimbleby, of
the BBC.

It deals comprehensively with
all forms of gambling, including
Essence of a Wager, Mathematics
and Systems, Horse Racing Sys-
tems, Totes, Sweeps and Pools,
Stock Exchange, Card Games, etc.
REVEALS NEW FACTS!

"Science of Gambling" also con-
tains about Sixty Amusing Car-
toons.
