RAIN CAN'T HURT US

All youngsters are in their element in the rain. And so are their Rainsters! That grand English water-tested fabric is as impervious to rain and cold, as a duck to a deluge.

You're sure to find Rainsters for your kiddies in the shops, even if you can't find one for yourself — children's Rainsters are more plentiful. What peace of mind when you do! You'll smile then, when the youngsters romp in the rain, knowing they're snug and safe in their Rainsters!
