RELIEF and HEALING

Dettol Ointment applied to a septic sore or skin eruption calms and relieves the irritation. It also sinks deeply into the inflamed tissue, and there destroys the germs which cause the inflammation, and which, by their poisons, make healing both difficult and slow. Dettol Ointment contains the active germicidal principle of "Dettol," the famous antiseptic.

"Old Father William"—with apologies to Lewis Carroll and Sir John Tenniel

"You don't show much sign yet of senile decay, There must be some permanent factor; You've been rolling the lawn for a very long time As if you yourself, were a Tractor."

"I find," Father William replied to his son, "Taking Andrews encourages action Of body and brain, and while rolling the lawn I can work problems out to a fraction."

One of the greatest helps to normal good health is Andrews Liver Salt. Those inclined to "early morning blues" should take a glass of sparkling Andrews for a few mornings, then as regularly as the system needs its help. Andrews cleans and refreshes the mouth and tongue, soothes the stomach and relieves acidity. Then it tones up the liver, checks biliousness, and gently clears the bowels, correcting constipation.
