### Children Like the Pipes

STATION 2ZB, which broadcasts a  
junior request session every Sunday  
at 8.0 a.m., has reached the conclusion  
that children have a taste for martial  
music. They like bands, the pipe variety  
most of all; a few ask for the hill-billy  
type of song. The junior request session  
is conducted by 2ZB's youngest an-  
nouncer, Doug. Smith, formerly of 4ZB  
and 2ZA, and who, during the war,  
broadcast from the AWA radio in Suva,  
and over the American station at Ta-  
rawa.
