# Perfection in Powders

When you use Elizabeth Arden powders you know you have the best that science and art can achieve, powders so fine yet clinging that they are never obvious but make you look as if you are blessed with a naturally lovely skin. You'll love the subtlety of the new pink shades, which seem to blend away tired shadows, giving an effect of youth and freshness. Choose the Ardena blend for a translucent appearance — Japonica for a velvety finish, or if the skin tends to oiliness.
