Threepence

OPERATION BLACKOUT: A scene in the electricity load despatch office at Hamilton from which the distribution of electric power throughout the North Island is controlled (see page 14)

"He likes my cooking but complains about my hands!"

"Naturally, husbands expect wives to have beautiful hands. But how can I—when cooking and housework make them coarse and red?"

YOU CAN HAVE BEAUTIFUL HANDS...

Every day rub a little Q-TOL SKIN EMOLLIENT into your hands and soon they'll be soft and lovable again.

Q-TOL

Keeps busy hands beautiful
