Programmes for April 28—May 4

Threepence

DR. C. E. BEEBY

"The seeds of war can lie in the class-room" (see page 6)

Four Reasons

FOR LOVELY HAIR

COCONUT OIL for a copious cleansing lather.

OLIVE OIL to soothe the scalp and give a captivating gloss.

CASTOR OIL to encourage growth and thickness.

LEMON OIL to prevent brittleness and retain the natural colour.

No other shampoo contains these **four oils**. They beautify hair and promote its healthy growth. The most convenient shampoo, too. No mixing—no after rinse—no bother.

Q-TOL

Four-Oil Shampoo
