Here's what YOU want for STOMACH UPSETS

De Witt's Antacid Powder is so quick acting that one dose is usually enough to relieve an upset stomach.

Firstly, it neutralises excess gastric acidity. This relieves the pain and distress you feel after eating.

Then, it soothes and settles the stomach. Consequently your next meal does not mean further trouble.

Finally, it protects the inflamed stomach lining and thus helps Mother Nature, the greatest of all healers, to put things right.

So, if a sour, upset stomach is putting you off food, it's time you got De Witt's Antacid Powder from your chemist.
