On a cold and frosty morning WEET-BIX and hot milk

No shivery waiting while this breakfast cooks. Milk's in the pot and heating fast. Where's that Weet-Bix packet; three golden Weet-Bix on each plate; on goes the milk so hurry everyone — BREAKFAST'S READY.

And what a breakfast . . . warming, nourishing, easy to digest and full of the quick energy which adults and especially kiddies need in cold weather. So tomorrow, for a quick and perfect health breakfast, serve Weet-Bix and hot milk; it's the most delicious way of all of getting the twin virtues of fresh milk and whole wheat. By the way, make the milk very hot but please don't let it boil.

Boys and girls, collect the coloured cards in Weet-Bix packets for your Advance Anzac Album. Cards also in Granose, Bixies, Puffed Wheat, and San Bran packets.

Califig

will keep
their zest for meals

Young appetites are grand at parties . . . but keep them eager for meals all the time.

Califig, the gentle laxative, the children's laxative, chases mild digestive disorders — and the kiddies love its delicious fruity flavour.
