A leaky, worn out silencer is a menace, because deadly poison exhaust gases are liable to seep into your car, and cause a serious accident or even death. If your silencer is corroded and clogged, it restricts the flow of exhaust gases, affects engine performance, and robs you of precious miles. The safest and most sensible thing to do is drive to YOUR GARAGE and ask to have a brand new ACE silencer fitted—the correct type specified for your particular make and model of car.

Teeth so white—so brilliant—because  
of special cleansing formula

HERE is a dentifrice that is winning men  
and women everywhere . . . because of  
its remarkable results.

A special formula—a secret formula—is the  
answer.

Hard-to-clean teeth are actually transformed,  
thousands say. Dull, lack-lustre, off-colour  
teeth take on new brilliance and flash.  
Stains disappear like magic, men declare.  
Flabby, below-par gums, when massaged  
with this tooth paste, are stimulated. Try  
a tube to-day. Lambert Pharmacal Co.
