

IT HAPPENS  
WITHIN

*Two seconds—*

Within two seconds, a comet streaking across the sky can travel the almost unbelievable distance of 500 miles . . .

MAKE THIS  
GLASS-OF-WATER  
TEST YOURSELF

 Bayer's Aspirin starts disintegrating in a glass of water within two seconds. It does the same in your stomach. And this amazing 2-second action is why Bayer's Aspirin gives such quick relief from ordinary headaches.

Within two seconds after you take it, genuine Bayer's Aspirin is actually ready to go to work to bring you

*fast pain relief!*

THREE important steps . . .  
not just ONE . . . give BAYER'S  
ASPIRIN its 2-second speed.

1. The aspirin powder is tested and compressed into giant tablets 8 times the normal size.
2. These "giants" are crushed back to powder and sifted through an exceedingly fine screen.
3. Only then are the tablets with the famous Bayer cross finally made.

Bayer's *could* make aspirin tablets without taking these three steps but because they *do* take them; Bayer's Aspirin starts to work within 2 seconds to relieve Colds or 'flu. If pain persists, see your doctor. He alone should advise you about persistent pain.

ALWAYS  
SAY

*Bayer's*  
BEFORE YOU SAY *Aspirin*  
TABLETS

24 for 1/7 . . . 100 for 4/9
