KILLED AND INJURED LAST YEAR
through drivers riding

The Greeks had a Word for it

According to a Greek legend, Atalanta was the swiftest of mortals. The average man and woman has no desire to win races, but life itself is a contest in which the prize of health is worth seeking. Everyone knows the word Andrews means a pleasant way to health. You only look and feel your best when you're enjoying Good Health. To get it, just take a glass of pleasant-tasting Andrews as often as your system needs it. Andrews refreshes the mouth and tongue, soothes the stomach and relieves acidity, checks biliousness, and finally, gently clears the bowels, correcting constipation.

For Daily Good Health the word is—
