*For the
Love of a Child*

Eros is the Greek god of love and youth. The design of this year's Health Stamp is taken from the famous Statue of Eros in London. Is there a better symbol of the duty and love we each of us owe to all children?

In Health Camps, convalescing and undernourished children are brought back to health. Health Camps are largely supported by the sale of Health Stamps. So when you buy stamps, buy Health Stamps.
