STA-BLOND'S
New "MAKE-UP" SHAMPOO
will give it a
definite fair colour
without ugly bleaching
Sta-blond will make it
4-6 shades lighter; lovelier
richer, more lustrous

Sta-blond's new 'make-up' Shampoo contains two wonderful new discoveries — Lanol and Calophol. These feed natural oil to the hair roots, ending "dry scalp" — make the hair easy to manage.

Try it. See why 38,000,000 packets were sold in United States, Britain, South Africa, Canada and other countries of the world in 1946. (Sta-blond is called Blondex in some countries.)
