

# Contributors of Service —

The Bank's managers and officers in its 250 Branches and Agencies will be pleased to help and advise you on banking matters.

## BANK OF NEW ZEALAND

Established 1861

## The order of the Bath...

First the blissful relaxation in hot water (or the invigoration of the shower); then that fragrant sprinkle with COTY Talc, to keep bathtime freshness all the day through! Very soothing to the skin, delicately perfumed to the senses, COTY Talc is one of those little luxuries that really make Life worth living... and beauty more fragrant.
