

# DANGER MEN ON HOLIDAY

When people are on holiday it is easy to be forgetful, to grow careless of safety rules. Beware! Holidays all too often end in tragedy because, in the happy-go-lucky atmosphere of a holiday resort...

- Motorists grow careless
- Pedestrians forget to look where they are going
- Motorcyclists and cyclists ride exuberantly
- Children dash across roads
- Animals are not under proper care
- Liquor may be consumed in excess

Motorists — Motorcyclists — Pedestrians — Cyclists — keep death off our roads by taking **EXTRA CARE** during the holiday season.

FROM TIP TO CLIP

... The "46" is up-to-the-minute, with engine turned, rolled gold or sterling-silver slip-on cap, and a colour choice of black, blue, maroon or dove-grey barrel. You get years of happy writing with the silk-smooth, 14-ct. solid gold,

**IT'S NEWS!**

**MENTMORE** <sup>6</sup>46<sub>2</sub> **MADE IN ENGLAND**

**FOUNTAIN PEN**

semi-iridium tipped nib of the Mentmore "46". Before, you've only hoped for such a pen at such a price — but skilled British technicians and workers have now designed this pen for long and faultless service.

Sterling Silver Cap 57/6  
Rolled Gold Cap 67/6

Trade Enquiries only to Ponsford, Newman & Benson (N.Z.) Ltd., 128 Wakefield St., Wellington

**SWEET!** You should see the twins in their bath. Mother always adds a little Anti-Germ to bath water and to the copper when washing their nappies. Anti-Germ is the clear antiseptic, 3 times stronger than carbolic, yet pleasant and harmless to the tenderest tissue. Get Anti-Germ from your grocer.
