UNPLEASANT FOOT ODOUR an unhealthy condition WITH A REMEDY

Unpleasant foot odour (Bromidrosis) is a functional disease of the sweat glands due to bacterial growths. It has a remedy — Dr. Scholl's Bromidrosil Powder — a soothing powder that immediately neutralises offensive smell while it attacks the bacteria. Dusting feet, socks and shoes daily with this new powder will eventually restore the normal healthy perspiration of the feet.

Use Dr. Scholl's Bromidrosil powder, too, for treating Athlete's Foot in conjunction with Solvex. Price 3/9½ at all Dr. Scholl dealers.

Austin Trucks are a thorough engineering job with every part—including the new o.h.v. engine—specially designed to do the work for which each Austin Truck is made. The scientific gearing gives exceptional pulling power at low speeds, through heavy ground or up hills, but when the load is light or the going level full use can be made of engine speed.

Ask your local Austin Distributor to tell you about the many satisfied owners of Austin Trucks.
