"Who's been drinking MY Andrews?"

To lose one's Andrews would be a misfortune hard to
"bear". Goldilocks could be forgiven for eating their
porridge, or sleeping in their beds, but to drink their
Andrews... well...!

The gentle action of Andrews makes it the ideal laxative
for children. Read how Andrews keeps the system func-
tioning smoothly and promotes the feeling of well-being
which comes from Good Health: FIRST, the sparkling
effervescence of Andrews helps to refresh the mouth and
tongue; NEXT, Andrews soothes the stomach and relieves
acidity; THEN, Andrews acts directly on the liver and
checks biliousness and FINALLY, Andrews gently clears
the bowels, correcting constipation.

you'll find more appetising than beef tea. For full nourishment
and food value a teaspoon of Benergy—or more to taste—in a
cup of hot water.

Bread, Butter and Benergy—that's good too!
