Relief from RHEUMATICS

makes
life
worth
living

So if *your* life is burdened with rheumatic aches and pains and you long for relief we urge you to try De Witt's Pills. Not that it is a "cure-all"; but simply because, after more than 57 years use the world over, De Witt's Pills is a household word for such troubles.

It is in the kidneys that rheumatic aches and pains so often originate. These vital organs become sluggish; they then fail in their work of filtering waste matter from the system. These impurities, when not expelled, frequently set up trouble and cause pain and stiffness. De Witt's Pills stimulate the kidneys, restore them to normal activity so that impurities are soon swept away.

Ask your chemist for a bottle to-day.

DeWitt's KIDNEY BLADDER Pills

For Backache, Rheumatism, Joint Pains, Sciatica and Lumbago. From chemists everywhere, 3/6 and 6/6. (plus Sales Tax).

A product of E. C. De Witt & Co. (N.Z.) Ltd.,
9 Herbert Street, Wellington, New Zealand.
