AHEAD OF ITS CLASS IN

Value TOO!

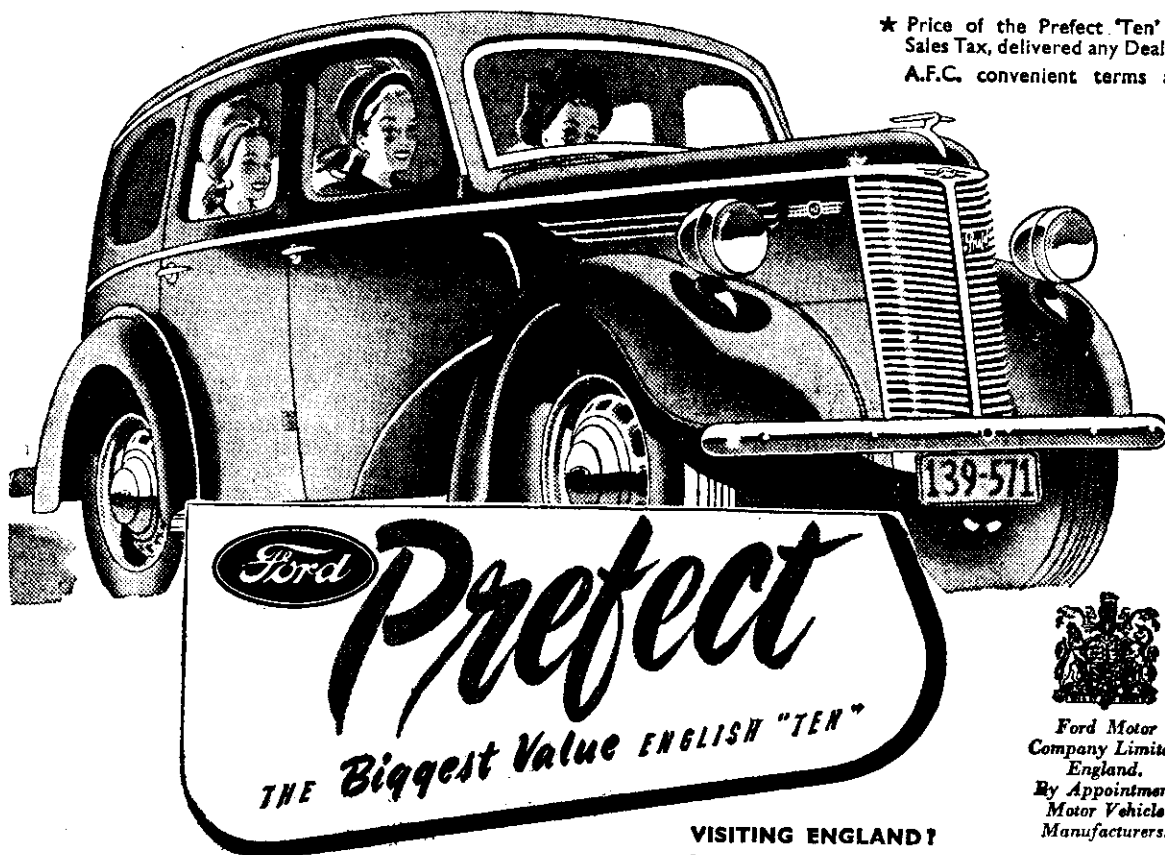

THIS is a striking comparison.

It shows conclusively that the far better buy in the 10 horse-power field is the Prefect. Such outstanding value is a number one reason why people are prepared to wait for a Prefect. Other reasons equally attractive are found in the proven features of this fine light car—its spirited performance, its extra roominess, its pleasing lines and its meticulous finish. And then, the after-sales service that goes with all Ford products is an important factor vitally influencing your choice. There is a constant demand for the Prefect 'Ten', and your Ford Dealer will gladly discuss the supply position with you.
