— says  
*Mrs. Rawlins*

"Only the other day Mrs. Parkinson was saying, and you know what a pernickety person she is, that she'd never seen her linen such a good colour as she had since I came to do it. But every good laundress knows that **Reckitt's BLUE** in the final rinse keeps your linen a good colour."

## New Discovery **KILLS RATS**

RATOM 109, the new Antu Rat-Killer—containing Alpha Naphthylthiourea—is more effective because it is tasteless and odourless to rats in the bait and is twice as deadly. Hitherto, rat poisons in doses strong enough to kill always had a taste or odour which rats could detect. Get a jar of RATOM 109 from your chemist or store and try this new Antu rat exterminator which has been used with remarkable success in U.S.A. Full directions for use with each jar.

## **A SPLIT SECOND IN ETERNITY**

The Ancients Called It  
**COSMIC CONSCIOUSNESS**

Must man die to release his inner consciousness? Can we experience momentary flights of the soul—that is, become one with the universe and receive an influx of great understanding?

The shackles of the body — its earthly limitations—can be thrown off and man's mind can be attuned to the Infinite Wisdom for a flash of a second. During this brief interval intuitive knowledge, great inspiration, and a new vision of our life's mission are had. Some call this great experience a psychic phenomenon. But the ancients knew it and taught it as Cosmic Consciousness — the merging of man's mind with the Universal Intelligence.

**Let This Free Book Explain**

This is not a religious doctrine, but the application of simple, natural laws which give man an insight into the great Cosmic plan. They make possible a source of great joy, strength, and a regeneration of man's personal powers. Write to the Rosicrucians, an age-old brotherhood of understanding, for a free copy of the

book, "The Mastery of Life." It will tell you how, in the privacy of your own home, you may indulge in these mysteries of life known to the ancients. Address: Scribe H.E.S.
