2-4 Willis Street, Wellington.

## RELIEF and HEALING

Dettol Ointment applied to a septic sore or skin eruption calms and relieves the irritation. It also sinks deeply into the inflamed tissue, and there destroys the germs which cause the inflammation, and which, by their poisons, make healing both difficult and slow. Dettol Ointment contains the active germicidal principle of "Dettol," the famous antiseptic.

## DETTOL BRAND OINTMENT

HEALING & ACTIVELY ANTISEPTIC  
BECKITT AND COLMAN (NEW ZEALAND)  
LTD., Pharmaceutical Division,  
BOND STREET, DUNEDIN.
