## ACID STOMACH

Here's  
REAL  
Help

De Witt's Antacid Powder neutralises excess stomach acidity (*hyperacidity*) so quickly that a single dose usually relieves pain and distress. So, if you suffer after eating, you'll find this effective remedy does indeed give REAL help.

But De Witt's Antacid Powder does more than stop pain and neutralise acid. A timely dose soothes and protects the inflamed lining of the stomach, so that the next meal will not mean a new and worse attack of indigestion. Experience proves De Witt's Antacid Powder is of the greatest value in all those conditions of upset digestion where a good, family remedy is required. Get a canister from your chemist to-day and see how much better you feel—after the first dose.
