

### A Royal Welcome

"Your Health!" cried Caesar when Cleopatra burst upon his delighted gaze. When the toast is "Your Health" the beverage should always be a bubbling glass of Andrews Liver Salt—for it promotes the priceless possession of good health. Health comes from a system that is functioning smoothly. Good Health means sparkling eyes, a good complexion, abundant vitality. Andrews promotes good health because FIRST, the sparkling effervescence of Andrews helps refresh mouth and tongue; NEXT, Andrews soothes the stomach and relieves acidity, one of the chief causes of indigestion, THEN Andrews acts directly on the liver and checks biliousness, and FINALLY, Andrews gently clears the bowels, correcting constipation.
