RADIO STATIC CONQUEROR

Is your Radio Reception marred by continual crackling, splutters, etc.? Then you have a Supreme Reason for using a Line Filter. The "ENSIGN" job does away with all electrical interference coming through the power supply and gives your Radio crystal clear tone. For use on A.C. or D.C. Particularly successful in D.C. and on ships with D.C. generators.

The "ENSIGN" LINE FILTER is a genuine achievement by Radio Science in ending man-made interference.

The LAMPHOUSE is confident and repeats their guarantee of full satisfaction or your money refunded in full.

TRY IT AT OUR RISK.
