

*If only I
could play like that!*

Why envy people with musical training—those who play the piano at parties and social functions? Why not learn to play yourself? You need no previous training, or any special ability—anyone can learn the piano quickly and easily through the Niagara method. You'll make rapid progress from the first lesson. In a few short months you'll be delighting yourself—and your friends. Post the coupon below for descriptive booklet that tells how.
