

## The essential link

To-day, great aircraft link New Zealand with the rest of the world.

Similarly, the Bank of New South Wales — oldest yet most modern bank in the South-West Pacific — provides the essential financial link facilitating trade and travel between New Zealand and countries overseas.

The "Wales" complete banking service is available through a network of over 800 branches and agencies in New Zealand, Australia, Fiji, Papua and New Guinea linked with two branches in London and over 7,000 oversea agents and correspondents.

WORLD'S GREATEST LIGHTER

The "Entoleter" is an amazing new invention that controls all infestation in cereals, such as "mill-moth," a condition sometimes erroneously regarded as weevil.

VI-MAX leads again in introducing the "Entoleter" to New Zealand and safeguarding the high quality and perfect condition of this vitalising breakfast and cooking cereal.
