Many people agree that but for De Witt's Pills they might still be tied to the house, racked by joint pains, almost afraid to move. But De Witt's Pills have saved them from that. They have found the blessed relief that so often comes to those who turn to this trusted family medicine.

You, too, should know that when aches and twinges in the joints are due to faulty action of sluggish kidneys, De Witt's Pills are a most effective medicine.

They act directly on the kidneys and help to disperse impurities. So ask your chemist for a bottle to-day.
