Blush-Cleanse⁹⁹ with Pond's COLD CREAM and see results to-night!

"Blush-cleansing" with Pond's Cold Cream means that you give your face the Pond's cleansing designed specially to bring that softer, glowing look which suggests hours of beauty-salon treatment. But here's how easy it is to do it yourself.

1. Rouse your face with warm water. Dip deep into Pond's Cold Cream and swirl tiny "engagement ring" circles up over your face and throat. Tissue off.
2. You "blush-rinse". Cream again with snowy-soft Pond's Cold Cream. Swirl about 25 more creamy circlelets over your face. Tissue off. Tingle with cold water. Blot dry.
You'll see an exquisite faint glow all over your skin. It will look as soft as it feels.

COMPLETE COMPLEXION CARE

POND'S COLD CREAM, thorough skin cleanser, and POND'S VANISHING CREAM, powder base and skin softener. Economy size jars on sale everywhere. Ask also for POND'S DREAMFLOWER FACE POWDER — AND POND'S CREAM LOTION for lovely hands.
