- - or the traveller

ULTIMATE

6 Valve Broadcast A.C. BATTERY PORTABLE

with built-in loop aerial

Perfect performance and dependability are assured with this unique **ULTIMATE Portable**. As an extra all-purpose Radio; as a standby during power cuts; as an outdoors set; wherever you go you will enjoy sparkling reception. Operating on batteries or plugged into normal power points it proves the statement—

The last word in Radio-
ULTIMATE

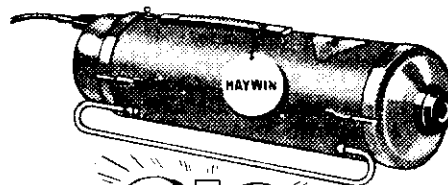

Manufactured by
Radio (1936) Limited, Quay Street, Auckland
DEALERS THROUGHOUT NEW ZEALAND

Nothing can escape its
POWERFUL SUCTION

THREADS, FLUFF . . .

No matter how they are interlocked in the carpet pile, they are picked up like magic by the "NEW HAYWIN" exclusive RUBBER agitator that cannot possibly harm your carpet. Whisks up all heavy dirt and grit too.

It's the action of the HAYWIN'S "Magic Fingers" that is the secret! This is only one of many "BIG NEW HAYWIN" features. Complete insulation is another!

Guaranteed for 12 months . . .

£16/16/0
