

it's **FOOLish** to
set out on your holiday
with your fingers crossed!

Don't begin your tour until you are satisfied
that your tyres, brakes, steering, springs,
lights and accessories are in good order.

check your car
THOROUGHLY
before your
holiday trip

It's courting disaster to
go in an unprepared car
—and it may cost you
your life in spite of
your crossed fingers.

issued by the Transport Department
