Oh, it's nice to get up in the morning

WHO'd want to stay in bed when it's seven o'clock and there's a wonderful new day just outside the window? Even the longest Summer day isn't half long enough for the climbing, fishing, swimming and all those other important comings and goings that make up a small boy's life.

But first — breakfast. He's as hungry as a hunter for the breakfast that transforms him from a little boy into a bundle of energy... Weetbix... crisp, golden, malty Weetbix, with stewed fruit and milk. As he eats them up and passes his plate for more he won't know that those toasted, good-tasting whole-wheat biscuits are supplying him with energy-giving elements. All he knows is that he likes them any way — for breakfast, for tea, or spread with butter and honey or Marmite for play-lunch or picnics. Any time, any place — "Weetbix please, Mum."

MARMITE • BIXIES • PUFFED WHEAT
SAN BRAN • GRANOSE
