# Tonight

What does this new blush-cleansing do for you?  
It gives your complexion

- a soft, translucent glow
- an instant soft-as-swansdown feel
- a sweet blush of color

1. Rouse your face with warm water. Dip deep into Pond's Cold Cream and swirl tiny "engagement ring" circles up over your face and throat. Tissue off!

2. You "blush" rinse Cream again with snowy-soft Pond's Cold Cream. Swirl about 25 more creamy circles over your face. Tissue well. Tingle with cold water. Blot dry.

You'll see an exquisite faint glow all over your skin. It will look as soft as it feels.

*She's Engaged! . . . She's Lovely! . . .
