**HAIR "DOS" MADE EASIER**

These "Best Friend" Hair Driers are moulded in beautifully finished bakelite. They are British made, the fan being driven by a solidly constructed and trouble-free motor. A heating element is incorporated and a switch provided so that hot or cold air can be obtained at will. As a quick and efficient means of drying the hair, these electrical hair driers are ideal. Make a present of one.

(Print clearly in BLOCK LETTERS.)

R.L.4

Back to its big pre-war size, and crammed from cover to cover with interest, the Lamphouse Annual is taken as the Radio and Electrical Guide for every New Zealand home.

112 pages crammed from cover to cover with interesting Radio and Electrical material.

**CONTAINS OVER 400 ILLUSTRATIONS!**

The General Interest section contains articles on Radio Set Construction, how to get better results from your Aerial, Workshop hints and kinks for the Hobbyist and many other articles of interest to all.

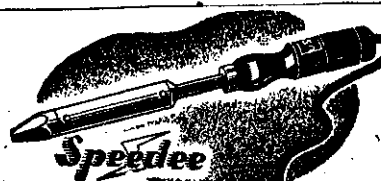

**1/-** COPY

**RADIO ENEMY VANQUISHED**  
 Is your Radio Reception marred by continual crackling, splutters, etc.? The "ENSIGN" job does away with all electrical interference coming through the power supply and gives your Radio crystal clear tone. For use on A.C. or D.C. Particularly successful in D.C. and on ships with D.C. generators. The LAMPHOUSE is confident and repeat their guarantee of full satisfaction or your money refunded in full.

**TRY IT AT OUR RISK.**
